Product Description

The Bremen Town Musicians by HUCH!Item number: 883 315EAN: 4 260071 883315Author: Przemys?aw Fornal, Micha? Go?ab Go?abiowskiIllustrator: Maciej SzymanowiczThe story of the heroic Bremen Town Musicians also inspired other animals to take their fate into their own hands and bravely confront robbers. You help them and collect your own animal band(s) on the way to Bremen. You stack the animals on top of each other to form a tower. This must be at least as high as the two robbers together, because only then will they be frightened! When building your tower, skilfully use the special abilities of the individual animals. If you take a pig, you are lucky and also get the neighbouring animal for your tower. A cockerel ensures that everyone has to pass their top animal to the left. In the end, the person whose animal tower is the closest to the robber's tower wins: they have shown a marvellous eye for size. -Animal puzzle for fairy tale fans that trains the sense of proportion -Interaction through special animal abilities - Fun for young and oldNumber of players 2 - 4 peopleSuitable for 5 - 99 yearsPlaying time 20 minutesPackaging 190 x 190 x 36 mm
