📖 Produktbeschreibung

Construction - Tavern and Houses 2 will move your battlegrounds to the medieval world of old inns and houses built of solid wood and bricks. Many folk secrets are hidden here! Improve your game session thanks to the Terrain Systems- Medieval Town series!

The set of buildings includes 3 houses and 2 fences - elements that can be arranged freely.

All constructions are modular and made of extra durable HDF (High-density fiberboard - 3 mm) .

The innovative production technology causes the glue is not required for assembly.

All elements are double-sided printed.

Attention! Not for children under the age of 36 months.
