### Produktbeschreibung

Mix, add ... and hide when your pot explodes! You will find all the ingredients for the best elixir in the e-Raptor insert.  
e-Raptor Upgraded Insert compatible with The Quacks of Quedlinburg + expansions:

- The Herb Witches
- Die Alchemisten

is a perfect accessory designed to organize and improve the gameplay of the board game.

Thanks to this insert you can arrange all game components (also sleeved cards!) and keep them in order – no more mess on the table while playing. No more looking for necessary elements during the game.

You can hold all your tokens, dices, player markers, etc. in one place without being afraid of losing control of the setting. They can be easily accessed and do not take as much space as during the game without an insert.

Also, when the box is closed, the components are still kept in order, ready for setting another game quicker than ever before. You can see the suggested components set up in the pictures.

The insert is made of high-quality HDF. To assemble it, there is no glue required.

Attention! Not for children under the age of 36 months.

- Insert fits into box with dimensions: 29 cm x 29 cm x 7 cm
- ideal size for sleeves: 57,5 x 89 mm
- Gewicht: 1580 g
