Product Description

Tutto - Volle Lotte, card game, for 2 to 10 players, from 8 years

As "Volle Lotte" many people have got to know this game. Popular with everyone for many years, it now comes in a contemporary design and with a new name: Tutto! And this is how it works: When it's a player's turn, he reveals the top card of the deck. This card determines the player's next move. Often a fat bonus attracts the player if he succeeds in rolling Tutto - that is, if he can put out all 6 dice. To do this, he may roll as many dice as he likes. However, he must put out at least one die after each roll. If he cannot do this, he has missed his turn and does not receive any points. The player may also stop at any time before rolling Tutto. Then he keeps all the points he has rolled this turn, but he forgoes the bonus. The easy and quick introduction to the game has made Tutto one of the most successful dice games of the last few years. Tutto is also suitable for all ages and is great fun even in large groups!
