Product Description

Balla Balla - marble game (DE), for 2 to 4 players, ages 5+

Red, blue, yellow, green - the colorful ballas hang cool and hold always tight together. But why do the colorful ballas shiver so bitterly? Disaster is brewing over their heads. Round after round, the players place their white balls on the colorful ballas grape. Skill is required here, because every additional ball increases the pressure on the ballas. When the strength dwindles, the cohesion also falls flat and everything falls on the gaming table. That is why it is important to lay down carefully, just don't flinch and don't make any rash movements. Because if you don't pay attention, you cause a real hail of bullets and risk a gleeful and loud Balla Balla from your fellow players!
