## Product Description

Die Hornochsen, card game, for 2-6 players, from 10 years (DE edition)

No game for stupid asses - tactics and luck decide the victory!

When oxen once again play the leading role and the author is Wolfgang Kramer, then the whole thing definitely guarantees one thing: the greatest pleasure. Based on the legendary "6 nimmt!", something completely new is created with similarly simple means. Only the tingling in the stomach is familiar - and the amazement at how entertainingly time can pass.

All the ox cards are shuffled and, depending on the number of players, 7-15 cards are laid out in a circle on the table. Each card on the table is the start of a row that gets longer and longer as the game progresses. Whoever adds the fifth card to one of these rows must take it. Each player whose turn it is may place one to three cards. Since there can be cards with green and red oxen in a row, each player obviously tries to avoid the rows with many red oxen. Unfortunately, this is not always possible.

Caution! Not suitable for children under 36 months. Legal minimum age: 10

- Players: For 2 to 6 players aged 10+
- Game duration: 30 minutes
