Product Description

LOBO 77, card game, for 2-8 players, from 8 years (DE edition)

Cards are played in turn and their values added up. The aim of the game is not to reach 77 with your own card. Whoever reaches or exceeds it loses one of their chips. The aim is to use the available action cards wisely and to delay the inevitable. Because one thing is certain: someone is always the loser. The winner is the one who does not lose all their chips.

Lobo 77 is an ideal family game: easy to learn, simple rules, short round duration, children from primary school age can play - and everyone has fun! Also suitable for two players! Attention! Not suitable for children under 36 months. Legal minimum age: 8

- Players: For 2 to 8 players aged 8+
- Game duration: 30 minutes
