Product Description

Biberbande, card game, for 2-6 players, from 6 years (DE edition)

Diving down and causing confusion is fun for the little rodents.

The goal is clear: to get beaver cards with the lowest possible values. Each player has four cards face down in front of them, but they are only allowed to look at two of them at the beginning. After that, there are only a few possibilities to find out what is depicted on the front. Is it a dozing beaver with a low value or a nasty water rat with a high value that you want to get rid of? Special cards allow you to look at one or the other card during the game or to push a bad card to your fellow players.

Caution! Not suitable for children under 36 months. Legal minimum age: 6

- Players: For 2 to 6 players aged 6 and over
- Game duration: 20 minutes
