Product Description

The legacy of Dunwich - expansion for: Arkham Horror: The card game LCG (DE), ages 14+

Once upon a time, a monstrous presence terrified the remote town of Dunwich Scare. The time of horror did not end until three professors from Miskatonic University armed with secret knowledge set out to defeat the creature. Now, a few months later, Dr. Armitage has disappeared and he fears the worst.

In The Dunwich Legacy, investigators begin a search for the missing professors and begin a campaign that brings them to the infamous Clover Club, to the premises of Miskatonic University and beyond that leads. This expansion includes the first two scenarios of the Dunwich Legacy campaign, plus new investigators and player cards that make the game even more versatile. Arkham Horror: The Card Game is a cooperative game in which each player takes on the role of an investigator and tries to solve terrifying and scary secrets.
