Product Description

The Innsmouth Conspiracy - Expansion for: Arkham Horror: LCG (DE), for 1 - 2 players, ages 14+

Not far from Arkham is the run-down and weathered town of Innsmouth on the Atlantic coast. An aura of decline and decay hangs over the city like the mist of the ocean, from the strangely glowing windows of Gilman House to the abandoned and overturning Fish Street Bridge. Beyond the city limits, the Innsmouth coastline is dotted with semi-flooded tidal tunnels and unnatural coves. Who knows what strange, abyssal trinkets you might find among the fish skeletons and rotting seaweed?

The Innsmouth Conspiracy invites you to take your first steps in a spinning, time-jumping story, starting with the first two campaign scenarios included in this expansion. From the heart of Innsmouth itself to the haunted coastline and beyond, these scenarios are the prelude to an adventure that will unfold in the following six Mythos Packs. Far from including just two new scenarios, however, the Innsmouth Conspiracy brings five new investigators to the table with an undersea treasure trove of player cards that support new types of decks ... along with a new mechanic that players can dig into can bite into it, including keys, flood, blessing and curse tokens!

This game is an expansion and can only be played together with the base game Arkham Horror LCG - The Card Game!
