Product Description

Rage, Card Game, for 3-8 Players, from 10 Years (DE edition)

Have you always wanted to annoy someone? No problem with this game: Rage is a mixture of trick games and the basic structure of Skat. With unique game mechanisms, it is particularly fun in a sociable group. Before starting a game round, each player must announce how many tricks they will take in that round. The player who was able to predict most accurately after ten rounds how many tricks he received per round wins the game.

But don't cheer too soon: Others also shoot sideways and sabotage your prediction. Rage - hellishly good!

Attention! Not suitable for children under 36 months. Legal age: 10

- Player: 3 to 8 Players, from 10 Years
