Product Description

Cafe International, Card Game, 2-5 Players, from 10 Years

The board game classic in card format! The game is about getting as many points as possible by cleverly placing the guest cards on a table card. In addition to nationality, the Café International also makes sure that the same number of women and men are seated at the tables. Whoever has the most points at the end of the game wins. This exciting card game is just as good as the board game, only smaller.

The Café International is a meeting point for guests from many nations. It is pleasant to chat over wine, coffee and cake. Guests from different countries often sit at one table. The seating arrangement does not necessarily have to be observed.

Huge, this little box. Limitless fun for everyone.
