Unlock! - Sherlock Holmes: Faden (single scenario) Box5B - card game (DE), for 1-6 players, ages 10+

The scarlet thread of murder runs through the colorless tangle of life, and it is our duty to untangle it, isolate it, and expose every inch of it. - Sherlock Holmes, A Study in Scarlet  
In Unlock! Sherlock Holmes: The Scarlet Thread you help the greatest detective of all time investigate the murder of Mr. Hall, whose skull was smashed with a statuette. In this Unlock! Case, investigate crime scenes, reconstruct the movements of suspicious people on the city map, question witnesses and put the puzzle together. This is the only way you can help the master detective to convict the murderer.

In live escape rooms, the participants are locked into a room and have to be able to leave it again within 60 minutes. UNLOCK! lets you experience this cooperative experience at your home gaming table. The adventures are controlled via maps and a free companion app can give hints and tell the players whether they are correct.

With UNLOCK! no cards and no game material come to harm!
