### Product Description

#### Dungeon 1100+ Convertible Midnight Gray Kartenbox

The Dungeon 1100+ is ideal for housing a complete card collection. It holds several deck boxes, playmats, accessories and, of course, a huge number of single cards (even protected in bigger toploader sleeves). The closing mechanism is subtle but strong thanks to an ingenious design that keeps the box safely closed even when it is fully loaded. The box's premium Nexofyber outside material shares the elegant look of all Convertible products. Compatible not only with the rest of the product line but also with most boxes and solutions available on the market.

- Designed to hold up 1100 double-sleeved cards
- Perfect for Cube Drafts
- Completely removable cover grants easy access to all components
- The cover clips onto the bottom and saves precious space at the gaming table
- Powerful magnets for a precise and secure closure
- Special locking mechanism provides a secure closure, even if the box is shaken upside-down
- Almost endless options to fill your Dungeon: Designed to hold deck boxes, playmats, accessories and single sleeved cards (even in toploaders)
- Premium materials (Nexofyber surface + microfiber inner lining)
- Product size: appx. 414 x 199 x 114 mm
- Material: Nexofyber surface & microfiber inner lining
