Product Description

Stories from the Dark Forest - Extension for: Maus und Mystik (DE), for 1-4 players, ages 7+

Call your friends and family back to the kitchen table. The next chapter of Mouse and Mysticism is here! Tales from the Dark Forest is an expansion for the popular game Mouse and Mysticism. It contains a completely new story book, the plot of which is full of exciting twists and turns even experienced adventurers into new challenges.

This time the mice venture into the forest. Huge trees, which you gradually lay out, form a new dynamic play element. Decide how the story continues and experience how day and night affect your progress! Defend your life against new evil enemies like frog soldiers, fairies or the giant snake Hesstia! Swap your hard-earned cheese for supplies in the village shop. And then grit your teeth and run for your life while the sands of time steer you towards a disaster!

Stories from the Dark Forest gives players the exciting opportunity to pass on the story of the courageous Prince Collin and his companions to experience first hand. The old oak in which Borkenheim lies is dying and the heroes have to go into the dark forest to find a new home. But nothing is as it should be in the dark forest. A whole host of schemers, thugs and scary forest monsters stand in their way. Fight against time - with the characters you know and love or try your hand at the three new heroes. Ditty, the shrew, is a gorgeous villain who strikes quickly and fatally, Ansel the mouse guard is a brave warrior and Jakobe, the cunning gecko, leads the group through the dangerous green of the dark forest.
