Product Description

Maus und Mystik, board game (DE), for 1-4 players, ages 7+

In Maus & Mystik, the players slip into the role of heroes who have remained loyal to the good king Andan - but in order to escape the clutches of the sorceress Vanestra, they have turned into mice! With courage and skill they have to fight their way through the now gigantic castle, which would be dangerous enough because of Vanestra's many henchmen. Yet other dangers lurk for our tiny heroes. Among the adventurers are the brave Prince Collin with his nimble sword, Rex Balgor, the gigantic blacksmith, the aged scholar Maginos and the merciful Tilda, the healer of the royal court. Each and every one of them must do their best to find the king and warn him. In addition, the mouse heroes must use all their wits to fathom Vanestra's weak points and defeat them.

Mouse & Mysticism is a cooperative adventure game in which players must work together to act as mouse heroes to save a threatened kingdom. You have to face a myriad of enemies such as rats, cockroaches and spiders and of course the greatest horror of all: the cat Brodie. Mouse & Mystik is a completely new type of game that immerses players in a fascinating, interactive world. Each game tells a wonderful story that the players actively help to shape. Along the way, the mice can collect precious cheese in order to learn powerful new skills and thus to withstand even the most dangerous enemies. Mouse & Mystik is the ideal game for cozy game evenings with family or friends. It is a game and a fairy tale at the same time and offers every round of players exciting adventures that they will talk about years later. Provided they all get through
