Product Description

Dobble Disney Frozen II, card game (DE), for 2 - 5 players, from 4 or older

Dobble consists of 30 cards. Each of them shows 6 symbols. No matter which two cards you compare, there is always exactly one symbol that matches. Who finds it first?

How does it work? New players can quickly and easily familiarize themselves with Dobble. To do this, two random cards are turned face up and placed in the middle of the board for easy viewing. Now you have to find the symbol that matches on both cards as quickly as possible. (Shape and colour are the same, only the size can be different.) Whoever found it, name the symbol and then turn up two new cards. This is repeated until it is clear that there is always exactly one symbol that matches between two cards. Now it can start!
