Product Description

Token and Markers: Set of Money 5 (20 piece)

Compatible with many board games, card games and miniature games where you collect and/or spend money, our 20-Piece Set of Money 5 is a perfect way to upgrade your gameplay with these high quality plexiglass tokens.

The set is created to make your gaming experience even better. Our token sets have a high quality overprint (different for every money value). Also, they are far more durable than the usual cardboard ones.

Attention! Not suitable for children under 36 months.
