Product Description

munchkin quest promotableeau: Trollkill the monsters, claw the treasure and trap your buddies in the back - Munchkin Quest transmits exactly this as simple as successful concept in the World of the board game. Together with the whole group or on their own, the players explore a dungeon, doors enter and do what you do in dungeons: monster meetings and treasures shit! Due to the modular game structure, every dungeon is a completely new challenge. Attention! Not suitable for children under 36 months.
