Product Description

The funny donkey game - ass Altenburger Who not watch out is a donkey! Route players play cards from their hidden stack and can accommodate them with their opponent or in the middle of the table. Anyone who first grew off all his cards wins the game. But beware is offered! If your teammates notice a mistake you will be the new ass and have to pull cards. A nerves abrasive bet race burns, and only the largest donkey stays back! The funny donkey game, a game for 2 to 8 players aged 6 to 100 years.
