Product Description

City Name Country - Ass Altenburger a name with c? A city with Z? A movie title with E? The popular knowledge game for children and the whole family, with countless questions and answers to 110 cards. Rapid fun with the ultimate fun factor! The goal of the game is to collect most question or task cards. Each player receives three question cards at the beginning of the game. The header pulls a letter card and calls the letter. Anyone who can first give an answer to one of his challenges, puts them in front of themselves and calls the answer. He draws a new question card and the game continues in this way until all the questions are used up. City Name Land, a game for 2 to 8 players aged 7 to 100 years.
