Product Description

Fiesta Mexicana, card game (DE, EN, FR), for 2-4 players, from 8 years

The Mexican party is about to begin! Who offers their guests the most delicious food? There will be bids for the cards in turn. The special: The numbers on the player boards determine the bids and the places where the food cards can be placed. If you cannot place a card, you can rotate your board by 90 degrees and you will immediately have a new starting position with new numbers to bid on! Who will succeed in filling their player board with as many food cards with high points as possible? If you can place your cards in the correct position by bidding and laying them out skilfully, and then complete your task cards at the end, you have a good chance of winning.
