Product Description

decipher, board game (DE), for 2-4 players, from 10 years

Everything revolves to think out of words that are hard to crack, as well To combine the clever combine to find the secret word of others.

Decipher is a very special words deduction game for 2 - 4 players. You use letter parts in four different shapes to build and guess words.

In each round, another player builds a secret word. The others only know the parts from which it consists and gain through questions by questions about their position in the word. Who finds the secret word first?

The Letter Piece Game system is a special way to build letters from parts in four basic forms. The idea for this Letter Piece Game comes from the Wordsmith authors Bill Eberle, Greg Olotka, Peter Olotka and Jack Kittredge, which are known for games like Cosmic Encounter, Dune, Hoax and more.

as at Wordsmith you play decipher with semi-transparent plastic parts that are particularly good in hand and animate in the best sense of playing. Due to a special plastic use, the game box becomes part of the game.
