Product Description

HexRoller (Frosted Games), 1-8 Player, from 8 Years

HexRoller is a rapid game of dice and fun for any occasion. Over the course of just seven rounds, players pick numbers rolled with eight dice and write them into their hexagonal grid. Numbers have to be written into adjacent spaces with the same number. This way, players create links between numbers printed in their grid and also complete colored areas to earn points. Every round, players also have to record the two numbers they have picked next to the grid, trying to use every number between 3 and 8 at least twice throughout the game. Whoever manages to collect the most points, wins.

Attention! Not suitable for children under 36 months. Legal age: 8

- Player: 1 till 8 Players, from 8 Years
