Product Description

Through the Ages: New Leaders and Wonders, Ages 14+ (DE Expansion)

New leaders like Confucius or Steve Jobs are ready to give your civilisation new impulses.

New wonders offer many possibilities for your game strategies. Start building the Silk Road and gain advantages even before its completion. Build the Red Cross with food and invite all other civilisations to help!

New military and action cards allow you to interact with your opponents in a whole new way. Kidnap their leaders, declare a hybrid war or work to establish the most harmonious society.

In addition, the new leader and wonder boards, along with the placeholder cards, provide a helpful overview of the current age's cards.
