Product Description

Traumlande - expansion for: Eldritch Horror (DE), for 1 to 8 players, ages 14+

Strange incidents pile up while a strange world merges with reality. Some see in their nightmares an ink-like blackness that silently covers the sky. The others fall into a deep slumber from which they never wake up again. The structure of reason and reality threatens to fall apart. Only a small group of brave investigators still stand between humanity and infinite nothingness.

This expansion takes you into the dreamlands, where you will experience fantastic adventures with the help of a new sub-game board. Eight new investigators embark on a dream search for distant worlds, supported by new allies like Randolph Carter. On their journey they will cast dangerous spells, develop formidable talents, and find strange artifacts to dispel the power of the Ancient Ones. Climb down to the Gate of Deeper Slumber and enter the enchanted realm of dreams!
