Product Description

Taluva, Board Game, for 2-4 Players, from 8 Years

The mysterious South Sea island of Taluva is ruled by harsh elemental forces. Mighty volcanoes erupt, pour their lava into the sea and form a terraced jungle landscape. Four peoples try to settle on this dangerous island. They explore the jungle, sandy beaches and lakes to find the best places for their huts, towers and temples. Their destiny they put into the hands of the gods.

Each player makes the decisions for the growth of the island and the building activities of his people. Especially the temples are important when the game is finished. It is more knocking to place two types of buildings completely and achieve an early victory. But beware! If you run out of building material, you must say goodbye to your dreams and retreat.
