Product Description

Caylus 1303, board game (DE), for 2-5 players, ages 12+

In Caylus, players work as builders to build markets, mines, courtyards, mansions and others Buildings along the main street leading to the castle. The workers will collect resources under the watchful eye of the bailiff and help with the expansion of the castle, where the players will increase their fame and gain the favor of the king. The latest version of Caylus is based on the well-known board game from 2005. The revision comes from the pen of the same team as the original. Caylus 1303 takes up the mechanisms of its predecessor and gives them a new freshness. With rounds that go quickly and smoothly, the game combines simple rules with almost infinite replay.
