Product Description

Labyrinthia, board game

Finally, the popular game of skill from the Super Toy Club is also available for the home! With a lot of team spirit and good communication, the players have to roll the ball from the start to the finish. Each player is responsible for one corner of the three-dimensional game board and only together can they succeed in reaching the goal. This requires skill and concentration, because otherwise the ball will fall into one of the numerous holes. If this happens, the team has to start again.

But watch out, time is running out fast and the other team is just waiting for its chance. In Labyrinthia, two teams play against each other. The team that acts more skilfully and works better together will win in the end. Stop time and challenge the opposing team: Which team is faster?

Caution: Not suitable for children under 3 years. May contain small parts and/or detachable small parts that could be swallowed, for example. Choking hazard.
