Product Description

Fake News, Kartenspiel (DE), for 4+ players, ages 16+

You know the truth? Nothing but the truth? Do you want to share your news with the world? Then out with it and invent the hottest stories. But be careful - all players are always involved in the news and everyone contributes their content.

Everyone throws a card into the ring, but only you make the news. Use the information from the other players. But be careful, at least one piece of content has no place in your story. And you decide which one it is. Let the card fly up and give away minus points. Whoever tells the most beautiful fake news - great stories, earns the respect of the others and incidentally rides a fellow player in the sh ***.
