Product Description

Traumdeuter - Kartenspiel (DE), for 1+ players, ages 14+

Have you ever dreamed that you would fly? Or be pursued? The dream interpreter introduces 60 of the most common dreams and explains what your subconscious wants to tell you. So, with the help of the cards, you can resolve deep-seated questions and worries that underlie your dream. Use the power of dreams to steer your life in a positive direction! Each card shows a symbolic drawing of the archetypal dream on one side and the interpretation of it on the other. Also includes instructions on how to use the cards and other optional game variations for one or more dreamers.
