Product Description

Villen des Wahnsinns 2nd Edition - Revised basic game (DE), for 1 to 5 players, ages 14+

Dark mansions protrude from the dirty streets of Arkham. The forces of myth, terrible secrets and unspeakable monsters lurk behind their facades. Tonight, a brave band of investigators will peer behind Arkham's closed doors and put a stop to the madness.

Mansions of Madness - Second Edition is a fully cooperative horror and crime game for up to five players. With the free and comprehensive app, it is no longer necessary to provide a game master, and the villas are also set up during the game. Go on mysterious adventures, collect weapons, equipment and information and solve tricky puzzles in order to defeat the monsters from alien worlds, madness and even death.

This edition of Mansions of Madness no longer includes a conversion kit. This means that the material from the first edition can no longer be combined with this second edition.
