Product Description

Tumblin-Dice (New edition) - Board Game, for 2-6 Players, from 6 Years

Put your skills and nerves to the test with Tumblin-Dice!

One after the other, flick your dice as far as possible with your finger on the scoring levels and try to push the competition off the board. The perfect throw scores 24 points: a "6" on the "4x" level, but that can change! The other players will try to throw their dice out of the game. Once all the dice have been played, the round is over and the results are scored. The first player or team to reach 301 points wins the game!
