Product Description

Detective: Erste Fall, board game (DE), for 1-5 players, ages 12+

Detective: Erste Fall is a fully cooperative, all-sensory crime story Board game in which 1 to 5 people take on the role of investigators trying to solve a crime. It consists of 3 separate cases, each of which can be played in about 90 minutes. Each of the cases challenges the players with different settings.

Detective: First cases is the beginner-friendly version of the award-winning Detective. However, three new cases also make the game interesting for players who have already played Detective. The players take on the job of real detectives again in a modern setting and solve mysterious crimes as professional investigators. To do this, they should use all means at their disposal to solve the crimes. You should check all facts, investigate clues and discuss them with your fellow players.
