Product Description

Rise of the Empire - Expansion for: Star Wars Rebellion (DE), ages 14+

Dark times rule in the galaxy. On more and more planets, peace and hope are being displaced by the violent regime of the empire. Even worse, however, are the rumors about the construction of a secret Imperial battle station of immeasurable power.

A ragged band of unusual heroes face the impending danger. You must make allies, subvert the empire, and steal the Death Star plans before it's too late. Rise of the Empire brings a variety of new game options to Star Wars: Rebellion. Heroes and villains from the movie Rogue One: A Star Wars Story as well as fan favorites like Jabba the Hutt plunge into the battle for the fate of the galaxy, while new vehicles and dynamic rules of combat ensure action that is cinematic.

Whether you are loyal to the Rebellion or the Empire, this expansion gives you powerful new weapons for the liberation or subjugation of the galaxy. The Star Wars begins now!
