Product Description

Millennium Falcon - Expansion for: Star Wars X-Wing 2.Ed. (DE), ages 14+

Originally, the Millennium Falcon was a simple YT-1300 freighter from the Corellian Engineering Society. However, Lando Calrissian has modified it to a high degree so that it meets his personal requirements.

Powerful engines make this ship one of the fastest in the galaxy and the escape pod allows the crew to get to places that they can with their Mothership.

This set adds 1 modified YT-1300 freighter and 1 escape pod to your game.

Not a complete game. A base game of X-Wing is required to play.

Attention! Not suitable for children under 36 months. Legal minimum age: 14

- Players: For 2 players, ages 14+
