Product Description

Transporter of the Resistance - Expansion for: Star Wars X-Wing 2.Ed. (DE), ages 14+

With the Transporter of the Resistance expansion pack, you can add this versatile ship to your squadrons in two different forms. As a transporter, the ship is perfect for bringing senior resistance officers into battle to aid faster fighters. The transport capsule, on the other hand, may lack space for more than one crew member or additional weapons, but it compensates for this with additional mobility and lower costs.

This set adds a transporter to your Star Wars: X-Wing game world Resistance or a Resistance Transport Pod.

NOT A FULL GAME. A BASIC GAME OF X-WING 2nd EDITION IS REQUIRED TO PLAY.

Warning! Not suitable for children under 36 months. Legal minimum age: 14

- Players: For 2 players, ages 14+
- Duration: 30 - 45 minutes
