Product Description

Imperial Stormtroopers (Upgrade) - Expansion for: Star Wars Legion (DE), ages 14+

This expansion for Star Wars: Legion contains four unpainted and detailed stormtrooper miniatures that differ from those of the Star Wars: Legion base game and the Stormtrooper units expansion. With them you can expand your existing storm troop units or form your own corps unit. In addition to these new miniatures, you will also find new options for heavy weapons and upgrades to equip your Stormtrooper for any situation.

Add new personnel to your Stormtrooper units! A stormtrooper miniature is ready to lead your troops into battle, with a stormtrooper specialist assisting him to improve the unit's aim and equipment.

Equip your stormtroopers with new heavy weapons to get even more tactical flexibility. Adds a T-21 stormtrooper for critical strikes or an RT-97C stormtrooper for deep shots from a long distance.

Warning! Not suitable for children under 36 months. Legal minimum age: 14

- Players: For 2 players, ages 14+
- Duration: 120 - 180 minutes
