Product Description

Saber-class main battle tank - expansion for: Star Wars Legion (DE), ages 14+

The saber-class TX-130 main battle tank was a light repulsor tank, who had the tactical flexibility of a star fighter and was therefore perfect for astute Jedi generals such as Aayla Secura or Plo Koon.

With astonishing elegance, he glided over the battlefield, where he could effortlessly target entire groups of enemies with his beam launcher destroyed or penetrated the enemy armor with its twin laser cannons.

This expansion for STAR WARS: LEGION contains 1 highly detailed miniature of a TX-130 main battle tank of the Saber class (enough for a heavy unit) as well as a new unit card and new upgrade cards.

Warning! Not suitable for children under 36 months. Legal minimum age: 14

- Players: For 2 players, ages 14+
