Manufacturer: Fantasy Flight Games

Product Description

B1 battle droids (upgrade) - expansion for: Star Wars Legion (DE), ages 14+

The B1 battle droids upgrade expansion contains four unpainted, detailed B1- Battle droids that are different from those in the Clone Wars base game and the B1 battle droids unit expansion. These miniatures are delivered in a frame and give you the freedom to customize their appearance. On the battlefield, these miniatures can become the basis for a new unit of B1 Battle Droids, or you can use the new heavy weapon and upgrade card options they bring to upgrade your existing units.

Upgraded your B1 battle droids! A battle droid miniature from the OOM series and a B1 security droid give you more tactical options for your units. Bring more firepower to the battlefield with an E-5C-B1 Trooper or a Radiation Launcher B1 Trooper.

Warning! Not suitable for children under 36 months. Legal minimum age: 14

- Players: For 2 players, ages 14+
- Duration: 120 - 180 minutes
