Product Description

EXIT - Das verfluchte Labyrinth, Escape game (DE), for 1-4 players, ages 10+

When visiting the castle, the players fall into a wondrous labyrinth in the middle Castle garden. High walls seem to separate it from the outside world. The players step through the old iron gate in amazement.

Suddenly the sky darkens and a wind picks up. With a loud bang he slams the old iron gate behind the players! You try to open it, but the gate is tightly locked. Suddenly, to the horror of the players, the gargyle moves over the gate

Only if the players work well together as a team will they be able to solve the puzzles and escape the mysterious labyrinth.

With EXIT - The Game, players with a little combination talent, team spirit and creativity gradually discover more and more objects, crack codes, solve puzzles and thus get closer to their goal step by step. Unusual paths also have to be treaded: The material can be created, labeled or cut up.

Changing the material in particular enables a particularly exciting, unique and amazing gaming experience. That makes the game evening an absolute highlight!
