Product Description

Adventure Games - Grand Hotel Abaddon, card game (DE), for 1-4 players, ages 12+

Adventure Games - Die Vulkaninsel is a cooperative adventure game. It works like a PC game - only in analog form. Simple rules allow the board game to begin quickly. The players slip into the roles of four students who are on the trail of smugglers and mysterious incidents on a volcanic island. As in a crime thriller, they have to solve puzzles, follow clues, examine and use objects, and make decisions that affect the course of the adventure. They experience a story together. The course of the game is variable and plays out differently in each group, including through the two different final chapters. If you want, you can have the texts read aloud via the app. Another exciting team experience from the series of cooperative event games by KOSMOS!
