Product Description

Germany - Find Minden, board game (DE), for 2-6 players, ages 10+

Watzmann wanted! Who can find Minden? Where could Siegen be? No idea? Half as bad. The rules of the game are quickly understood and the great journey of discovery through Germany's cities and natural spaces can begin. The players guess where the searched location might be. The players can decide for themselves whether they take a greater or lesser risk and then receive more or fewer points for it. However, if you dare to venture too much, you can quickly find yourself wrong - whereas a rough tip often hits the mark and scores points.
