Product Description

Black Hat - board game, for 2-6 players, from 10 years (international edition)

In a world dominated by modern technology, cyberspace is the digital highway through which the worlds data is transmitted. Access to the worlds networks and ultimately to this sensitive data, is heavily protected by complex security systems.

Against each other as they try to prove their worth as a hacker, trying to break through the worlds toughest security measures to acquire sensitive data without detection. At its heart the game employs a trick-taking mechanic that has numerous additional elements that create twists and turns each round that may not found in regular trick-taking games.

Black Hat is suited for gamers over 10 years, but contains sufficient nuances and tough decision making to pacify even the hardcore gamer.

Attention! Not suitable for children under 36 months. Legal age: 10

- Player: 2 to 6 Players, from 10 Years
- Playing time: 45+ Minutes
