Product Description

Antike Duellum, Brettspiel, für 2 Spieler, ab 12 Jahren

Two powerful ancient empires are growing up: they sail the seas, found new cities, build magnificent temples and develop new technologies. But settler land and resources are limited, and soon their peaceful coexistence threatens to turn into military conflicts.

Who can best organize its affairs of state? Who can use the favor of changing events most effectively for his people? And who leads his legions and fleets to victory with strategic vision? The answer is in your hands.

Ancient Duellum is an exciting competition for two players. With two scenarios - Rome against Carthage or the Persians against the Greeks - ancient history comes to life again. For Ancient Duellum the simple rules of the strategy game Ancient have been further developed and optimized for a two-player game. In particular, 25 event cards are new, which, when used at the right time, guarantee a constantly changing course of the game.
