Product Description

Railroad Ink: Edition Blattgrün, Würfelspiel (DE), for 1-4 players, ages 8+

Railroad Ink is a Roll & Write game that combines theme and fun. The players have to draw roads and rails on their game board by cleverly selecting dice in order to build the most extensive transport network possible.

The new challenge titles follow the same principle as the two previous games, Railroad Ink: Edition Deep blue and Railroad Ink: Edition bright red, but focus on the interaction between the players.

There are target cards, the combination of which repeatedly spark new races between the players. New route cubes with double curves, dead ends and junctions change the possibilities of the route network. And for the first time, special locations along the transport network bring special effects such as doubling a cube, special routes or bonus points.

Can be combined with: Railroad Ink Challenge: Sun Yellow Edition! Edition Blattgrün receives the mini extension forest. Those who prefer to wander into the distance can make their way to the next oasis in the Railroad Ink Challenge: Sun Yellow Edition. With both titles together you can play Railroad Ink Challenge with up to 8 players!

Lean back and enjoy the view of light birch forests and lush green fields.
