Product Description

Paleo, card game (DE), for 2-4 players, ages 10+

At the beginning of the Stone Age, before humans settled down, every day was a challenge. Finding food was often arduous and the wilderness fraught with danger. Only together could the tribe members defy nature and share their history with posterity.

In Paleo, you decide together who wants to explore which place and who does which tasks. There are various options available to you.

However, you only know exactly what to expect in a place when you arrive there. The better you explore it, the more information you have and can accordingly prepare yourself for the tasks there.

In order to cope with them, you need the right tools, the help of your teammates, and sometimes a bit of luck.

Warning! Not suitable for children under 36 months. Legal minimum age: 10

- Players: For 2 - 4 players, ages 10+
