### Product Description

Unicorn Fever, board game (DE), for 2-6 players, ages 14+

As everyone knows, a pot of gold awaits at the end of the rainbow. So it's no wonder that when a rainbow appears, unicorns stand and lie to race over the rainbow! You just can't resist the urge to jump into a pot of gold ...

Thousands of years ago, some of the most ruthless and morally questionable minds in the fabulous world realized that these unicorn races could generate huge amounts of gold earn money - on the back of these innocent and pure beings.

So whenever a rainbow appears, these wicked profiteers gather to organize the grandiose rainbow races. Competitive mythical creatures flock from everywhere to bid on the race and earn the Golden Horn title. Only the most accomplished betting expert is allowed to wear it - until the next rainbow appears.

Unicorn Fever is a tactical competition for 2-6 players in which luck, tactics and nasty curses go hand in hand. You are well-heeled, competitive mythical creatures and do everything in your power to achieve the venerable title of the Golden Horn - which only the most gifted of all unicorn whisperers can achieve in the grandiose rainbow races. Place bets on unicorn races to win fame and gold, and use different ways to win: make contracts with the unscrupulous inhabitants of the fabulous world to use their services and turn the tide in your favor, play magic cards to manipulate the race directly, but don't gamble away all your gold - otherwise you'll have to ask the elf mafia for a loan
