Product Description

Cthulhu: The Cruel Realm Tsan Chan, Hardcover (DE), 148 pages

The liberated old men will teach people new ways to scream and kill, too rejoice and enjoy yourself. And the entire earth will be aflame in a purgatory of ecstasy and freedom! In the year 5000 the earth is a hell flooded by cosmic horror. The last civilized people live behind the protective walls of the cruel empire of Tsan Chan and have found a way to adapt to the situation and form unholy alliances.

This bizarre world is described in detail. The Stillwater Rapids adventure (with prefabricated investigators) offers the equally ideal introduction to the distant future, in which cruelty and madness rule over the earth.
