Product Description

Shadowrun: Freedom for Seattle, Softcover (DE), 60 pages

The Seattle Sprawl is an icon of the Sixth World, and it is about to take the next step in its evolution to go. The UCAS of which he is a part are in decline. The pressure on Seattle is growing to go its own way and become independent. Many powers are trying to force the city's fate one way or the other, and a lot of money is pouring into the shadows to support or prevent these efforts.

Quite a number of celebrities come to the city. Some want to protect them, others want to see them dead. A good opportunity for shadowrunners to make money or get blown. They must grapple with the increasingly harsher conditions in the city and deal with corrupt politicians, angry gangsters, devious spies and other runners who are out to ruin their business. All of this could herald a new era for Seattle - at least for those of its residents who are still alive.

Freedom for Seattle is an adventure for Shadowrun 6 that lets you participate in one of the great upheavals of the Sixth World - in one of the most famous sprawls and under the most dangerous conditions.

Warning! Not suitable for children under 36 months. Legal minimum age: 12

- Players: For 3 to 6 players, ages 12+
- Duration: 90 to 120 minutes
